## EDITORIAL.

We have been pleased to note the prominence given in your recent papers to creating school spirit, good sportsmanship in athletics.

How we admire, and sympathize with a "good loser".

"It is easy to smile when the sun shines bright

"and life goes by with a song,

"But the man worth while is the man who will smile,

"When every thing goes dead wrong."

It seems to us that the proper school spirit is a wonderful asset to any school, for it promotes a loyalty that is reflected in better lessons, better athletics, and better buildings and equipment, and better grounds.

We have noticed that with the ideal school spirit prevailing, the students have the desire to sacrifice self and personal desires for the good of the whole, and, as we grow older will not lose same spirit continue with us and find expression in community service and betterment? Is it not gratifying to note the person who can overlook or minimize the unpleasant and annoying things in school and community by praising and emphasizing the worth while things that exist.

Our school and community may not be ideal in all respects, but we can improve them by giving of our time and thoughts towards eliminating the undesirable, and boosting for those things that will eventually raise our standards. With a fine school spirit we will be continually on the lookout for the things that are helping in other communities and schools, and will endeavor to learn how these were brought about so that they may be adopted at home thereby increasing the efficiency or perhaps making our surroundings more attractive.

The student with the worth while "school spirit" will be so jealous of the good name and reputation of its school and community, that they will hesitate to do many things that might reflect to the discredit of their beloved school, and they will assist in creating and maintaining that spirit which will not tolerate the thoughtlessness or maliciousness that finds expression in destroying lawns, vines and flowers or in defacing school property, whether it be buildings or equipment.

To illustrate: Some years ago the writer visited a fine large high school, the students of which were

(Continued on Page 6)

### FRESHMAN CLASS NOTES.

Twila Rader was absent Friday on account of sickness.

Violet and Elsie Bolz have taken their English examinations each making a grade of 98. We hope that they shall soon be able to take the others and make as good grades as in their English.

Allen is trying to keep up with the girls in style. The result of the game with Central Point was that he has a rather handsome flame curl on his forehead.

Two of the "freshies" are rather proud to think that they're becoming popular. They were appointed to the important duty of waiting a letter to our Elsie Edwards, president of the Student Body, who was absent on account of sickness.

The Freshman Algebra Class is working hard to understand why a minus is a minus and a plus is a plus.

Allen can't understand why narro (I tell) shouldn't be amo (I love.)

### JUNIOR CLASS NOTES.

Miss Alene Dayton went home yesterday at recess, as she was ill.

Everett has a bad habit of not getting up on school mornings until he hears the five-minute bell ringing.

Scott has started a postoffice of his own since he discovered that Jacksonville is on the map.

It takes Andrew to show the Central Point girls how to play basket-ball.

We wonder if Leho is living up to her New Year's resolution!

### SENIOR CLASS NOTES.

Elsie Edwards Secretary of the Senior class was absent last week from school because of sickness. We all missed her very much.

We all agree that Dorothea McClain can out yell any yell-leader that we have ever had.

Winnie Schnack has started to play basket ball.

### A NEW BOSS FOR PHOENIX HIGH!

A fine baby boy was born to Mr. and Mrs. Kerns Saturday Morning. They have named the baby John Wesley Kerns, Jr. Both mother and baby are doing nicely.

### AND THEY ALL GOT HOME \_\_\_\_\_?

Mrs. Dickey led the folks in her car a merry chase last Friday night while taking them to the game. Her Ford creaked and groaned under the weight of six big huskies, Mrs. Dickey, Mrs. Chandler, Irene Standley, Mildred Hughes, Dorothea McClain, and Jeanette Sheets. After telling themselves hoarse at the game these dignified people were very thirsty. No water could be found! When the faithful old Lizzie arrived in Medford Mrs. Dickey brought it to a stop in front of Crowson's. Then the dignified six took possession of Crowson's. They had some lovely strawberry and pineapple Sundaes and as much potential energy (cube sugar) as could be found.

Mrs. Dickey says that next time she will give them one of her celebrated lectures before leaving Phoenix.

Look for the "Dignified Six" at the Applegate game.

### CARD OF THANKS.

The Yell Leader wishes to thank the Students, Alumni and many friends for the exercising of their vocal organs at the Central Point Basket Ball Game.

Yell Leader

Dorothea McClain.

Father-"Don't you dare to swear before me."

Son-"How did I know you wanted to swear first?"-----N.H.S. Echoes.

COME TO THE OPENING OF THE "PHOENIX MEMORIAL HALL" FEB. 9, 1924.

### BASKET BALL GAMED AT C.P.

Friday Night, January 18, the Phoenix boys and girls basket ball teams journeyed to Central Point. The girls were the first to play. The first half only five players were used but in the second half six players were used. Our girls were beaten by a score of 14 to 10. We believe that our girls would have had a far better score if six players had been used all thru the game.

Our boys looked very small when compared with Central Point boys.

One of the boys remarked "The bigger they are the harder they fall." And he sure hit the nail on the head.

Phoenix boys won with a score of 26 to 15.

There are only nine boys in High School and only five of them have entered basket ball. So we feel very proud of our boys.

---

### PRACTICE GAME.

The Phoenix High boys went to Talent Wednesday evening for a practice game of basket ball with the Talent boys.

As Talent has no hall they played in the basement of the school house. Although it was a very hard floor to play on, our boys ran the score up to 48 while the Talent boys had the score of 19.

---

### THE GYMNASIUM.

The workmen are working very hard these days to get the gym completed so that the basket ball teams will have a decent hall to practice and play basket ball in.

They have laid on one sub floor and are commencing on the other one.

We hope that they will get the hall all completed by the ninth of February as we are planning to have a big basket ball game that night with Talent. We are looking for a large crowd out to the game as it will be the opening game for the hall.

The contractor says that as soon as

they get the other sub floor in and the lights and baskets put in that we can start practicing. Though it will not be finished it will be better than the one we are playing in now.

---

### BASKET BALL GAMED AT G.H.

The game between the Phoenix and Gold Hill grade teams started about 7:30. This was a good game but the Phoenix 8th grade team was beaten by a score of 24 to 0 for it was their first appearance on a basket ball floor. We think they will make a fine little team though with practice.

In the High School game the result was different, Phoenix made the first basket followed closely by one by Gold Hill. After the first basket, the score began to roll up. In the second half of the game Gold Hill was the first to make a basket but the game ended 41 to 9 in favor of Phoenix. The game was fast throughout. The Phoenix players were greatly encouraged by the number of Phoenix rooters.

---

### PICTURE

The Phoenix High has received their picture for the prize they won at the fair. It is not the picture that was selected for us by Mr. Milam. We understand that the picture that he selected for us was not in stock.

The one we received is "Hope" by Burns-Jones.

"Hope" is a beautiful picture. It is of a maiden who is in prison. One hand is raised toward Heaven and in the other is a branch of flowering shrub. Her feet are in chains. She is looking upward and the face might also stand for Faith.

"HOPE" is but one of Burns-Jones' famous pictures. Which on these faces fullness and spiritual types of maiden-hood.

We are indebted to "Turner Picture Studios" for the description of our picture.

## GRADE PAGE.

### 7th and 8th GRADES.

We organized a grade basket ball team and played our first game at Gold Hill Friday Jan. 25. It was an easy victory for Gold Hill as they have a good grade team that has had much practice. Having had no practice at all, it was a valuable lesson to us and we hope to be able to make a better showing next time.

We have finished our semester examinations with the following results. The average of the 7th grade is 84.9, while that of the 8th is 80.4. The pupils receiving the highest averages are, 7th, Fred Mast 92., 8th Leona Fish, 95.

Ruth Hollowpeter who entered the 8th grade the first of January from the Lincoln School in Modford was taken to the hospital last week and had her tonsils removed. She is getting along nicely and expected to be back to school soon.

Last Saturday while Mr. and Mrs. Carless were away a fire started in the basement of their home, burning up through two closets and filling the house full of smoke. It will take several hundred dollars to repair the damage done to the house.

The heroic efforts of the Phoenix fire department, and the neighbors kept the house from being completely destroyed.

An autoist was driving along a country road when he met a man with a team. The team was frightened very much at the sight of the automobile and started to run away so the man in the auto got out to help the teamster quiet his team.

"Haven't you ever seen any cars out here?" asked the man of the teamster.

"No," said the teamster, "and I hope never to see another one."

"I don't see why you should be so afraid of cars," remarked the autoist.

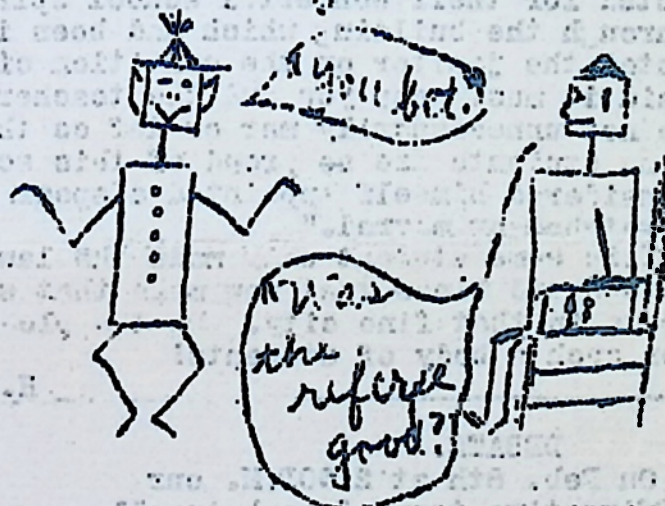

"Well, drawled the teamster, "what would you do if you saw my pants running down the road, and me not in them?"

### 5th and 6th GRADES.

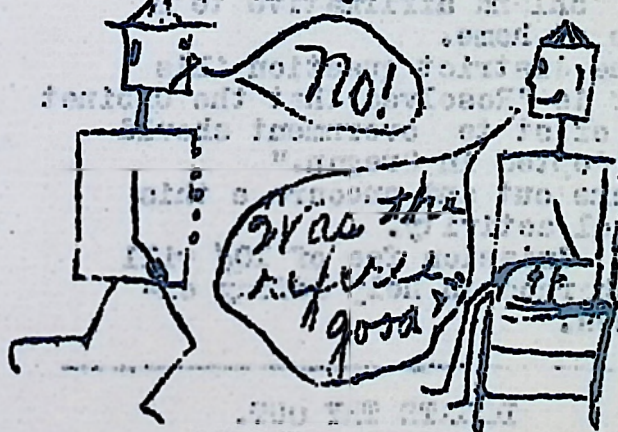

In examinations the fifth grades average was 88.6 and the highest average was made by Ruth Reed. The sixth grade's average was 87.8 with Eldred Colver highest.

We have a new boy in the sixth grade. His name is Albert Hollowpeter.

noted for their wonderful school spirit, and the janitor took us all through the building, which had been in use some five years. We complimented the janitor on the condition of the building and equipment, and said it must keep you and the teachers busy seeing to it that the students do not unnecessarily mar or deface the goodwork etc. "Oh no", said he, "the students are so proud of this school that it seems as if each one considered himself appointed a special officer to see that nothing was marred or marred."

This same student body mows the lawns and planted many of the beautiful shrubs and vines that now make that school property one of the beauty spots in that fine city. We take pleasure to provide every thing possible for such a body of students!

H.W. PRUE, Chairman of School Board.

#### DEBATE.

On Feb. 8th at 2:30 P.M. our affirmative team, Joseph Angell and Joannette Sheets will debate at Ashland. At the same time our negative team, Mildred Hughes and Margaret Mote will meet the Ashland affirmative team here at home.

The district question this year is "Resolved that the Cabinet for of state government should be adopted in Oregon."

Come out and encourage this school activity.

An admission fee of 10¢ will be charged to help defray expenses.

the grade and high schools and a few parents assembled in the auditorium to hear the debate teams' try out.

There were many good points given on both sides. After the debate the visitors were asked to speak. They gave several good ideas.

#### ORATIONS.

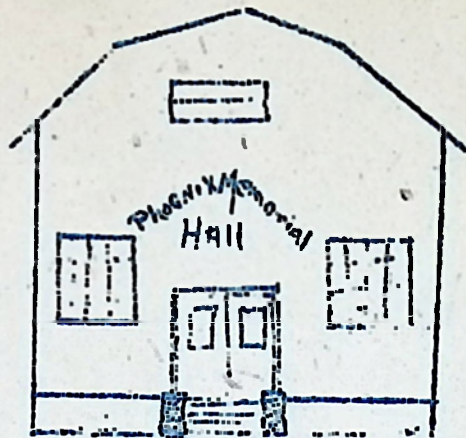

The four girls who are to give the orations in the Auditorium Friday afternoon are:--Joan of Arc-Dorothea McClain; History of Oregon-Wilhelmina Korns; Helen Keller-Marjorie Caster; The Great W-r-r-m. Johnson.

We are sorry to say that Elsie Edwards who was to give an oration on School Loyalty is sick so will not be able to give hers.

## EDITORIAL TEAM WORK.

One of the most essential qualities in our high school work as a whole is team work.

What can't team work in basket ball do? For a fine example of teamwork we have the boys game with Butte Falls last Saturday night. The boys worked in perfect coordination when playing on the defensive, every fellow helping the other to do his best as well as doing his best himself. The same tactics were used when the team had the

ball. There was no grand stand playing, it was all straight, hard, clean team basket ball. And see what happened to Butte Falls!!

Both debating teams were a great deal stronger this time than they were when they met Ashland. Why? Because they had been working together. Each member of the teams helping the other fellows.

These two activities, basket ball and debate are the main special issues of the school, now. Why not show these people who are all working hard to bring success to the school what team work can be with the rest of the school and the community?

Did you say, "How"? By getting everyone to come to our Basket Ball games!! Then don't sit around and look wise!! YELL!!!!

Make your presence known!! Back both the girl's and the boy's teams to the limit!!

And in debate you can help get good points that will strengthen the arguments of both teams. Then come to the debates. There is just one debate left for this season. Lets everyone come a week from to-day, Friday, Feb. 29, and help Phoenix to win.

Come to the Gold Hill--Phoenix basket ball game March 7, and help Phoenix beat the Gold Hill team!!

## IMPROVEMENTS.

Friday, Feb. 22, the seventh and eighth grade boys and girls, worked very industriously, on their new cement side-walk. This is indeed a great improvement for the school grounds and more over for the pupils.

No more muddy feet when they march in and probably a greater satisfaction to the janitor, who has to sweep the rooms, than to any one else.

If you had been taking observations of the pupils work, under the supervision of Mr. Tyrrell. You would quite agree that they heartily enjoyed the work of eating the lunch the girls prepared.

-----H. S. Remarks.

## BASKET BALL.

The game Saturday night, Feb. 15, between Butte Falls and Phoenix proved very interesting. The boys game was close all the way through, and until half-a-minute before time was up, a personal foul was made which put Butte Falls two points ahead. The score was 17--19.

The girls also played an exciting game which ended with a score of 19----24 in favor of P.H.S.

---

## W.O.W. MINSTREL.

Several of the High School pupils went to the W.O.W. Minstrel which was held at the Armory Wed. evening, Feb. 20.

A chorus of about twenty-five painted men sang. There was dancing and banjo, saxophone, and violin solos.

The six end men had very funny jokes and were comical all through the program.

The evening was greatly enjoyed.

---

## CARD OF THANKS.

I wish to thank the pupils and teachers of the Phoenix High School for their kindness to me while I was absent from school on account of sickness.

Llsie Edwards.

## FRESHMAN CLASS NOTLS.

Meredith was absent Tuesday.

The freshman class is going to have the highest average as a result of the coming examinations.

Llsie and Violet Bolz have now completed their back work in all their classes the last being Latin.

The freshman english class are a very dramatic bunch. They are nearing the completion of the dramatization of "The Lady of the Lake". When it is finished and the fair work is being collected they will be glad to know that a play written by them is on exhibition and you may be sure that not even Meredith or Allen would miss seeing it at the fair although it has cost many a long hour of hard study.

Have you noticed that:-

Llsie and Meredith have agreed in several things lately.

Even tho Twila is at home she's homesick.

Allen is getting to be quite a Latin shark.

Elsie is tired of blue dresses.

Violet is our star basket ball player of the future.

Ruby always has her lesson.

Lthel is keeping up with the styles from Paris.

Edith is worrying about who is going to play the part of hero in the freshman play.

---

## SENIOR CLASS NOTLS.

Elsie Edwards has returned to school again after several weeks of absence. We are all glad to have her with us again.

Emma Johnson is absent because of sickness.

The Senior have definately decided on their play.

---

I stole a kiss the other night.

My conscience hurt, black.

I think I'll have to go tonight

And put the darned thing back.

\*\*\*

"H'lo, Zeb, hows the hogs?"

"Fine: How's your folks".

### THE REFRESHMENT COMMITTEE.

The refreshment committee composed of Jeannette Sheets, Dorothy McClain and Llsie Edwards served a delicious lunch to the Butte Falls teams both before and after the game Saturday, Feb. 23.

They also have served lunch to all the teams who have played here this year. What would Phoenix do without this committee? Why, there would be a hungry fellow standing in every corner after the game.

Rah! Rah! Rah! Refreshment Committee!!! That's it girls!!! The way to win a game depends on what you feed the players.

----Edith May.

### MEDFORD AND ASHLAND GAMES.

Several of the Phoenix people saw the Medford and Ashland boys play last Friday at Medford. The Elks first played, with the Medford boys winning. The Medford High School boys won from Ashland High School boys 32----13. Saturday night the girls and boys teams played at Ashland. Medford girls winning 28 to 27. Medford boys winning 27 to 13.

Better luck next time Ashland. We're behind you!

### JUNIOR CLASS NOTES.

Wonder why Andrew yelled for Butte Falls during the Talent vs Butte Falls game?

Well, Alene, we've noticed an improvement in Frank since you've been back.

All of the Junior boys, Scott, Andrew, Evcret and Joseph are out for basket ball.

Echo had been late several times in assembly, but we finally discovered that she spent several minutes in the hall with comb, powder puff, and her vanity case.

Guinevere was absent Tuesday on account of illness.

-----Senior Play-----

March 21, 1924.

8:00 P.M.

School Auditorium.

### PHOENIX TOSSLERS BEAT BUTTE FALLS.

The Phoenix high school boy's team decisively defeated the Butte Falls high in a basket ball game on the floor of the new Phoenix gymnasium Saturday night. The game was marked by the close defense of the Phoenix team and its ability to take advantage of every break. Butte Falls played a good game, but the lighter and faster Phoenix boys simply ran rings around them, as the final score 28-17 indicates. Phoenix High School teamwork has greatly improved over their previous starts and they will bear close watching for the rest of the season. A large crowd attended the game and both sides were enthusiastically supported by representative rooters.

### THE LODGE BOY'S BAD LUCK.

The Woodmen Basket Ball team had a game all prepared to play the Central Point town team in the C. P. Hall last Friday evening.

The boys and some rooters met at the Phoenix store to get the news of the C-P. Gym burning reached us.

Everyone around Phoenix feels greatly grieved with Central Points hard luck but hope they may be able to finish the Basket Ball season.

The W.C.W. Boys will play Medford W.C.W. Boys Thursday night, Feb. 28, in our gym. Everybody come and root for Phoenix.

### NOTICE.

All bills charged to the Phoenix High School Association must be made out in bill form. Specifying:--What--When purchased--What for--Cash and by Whom.

All Bills must be handed to Sec. and then be brought up.

Play

The Senior Class with the help of the boys in the High School will present "Anne Whats-Her-Name".

This is a mystery comedy in three acts. It is full of pep and in a mystery from the time the curtain goes up until the mystery is solved in act three. The play consists of .. Prologue, Act I--one scene; Act II--two scenes; Act III--one scene.

The Characters are:-

Tony Wheat, the man who's in serious trouble.  
Burks, his valet and his faithful friend to the last.

Marjorie a very modern young woman and rather timid. Barbara, her sister is an up-to-date-flapper and believe me, she flaps.

Mooney, the temperamental maid, who has serious nervous attacks because of the "fire onset".

Willie Peabody, the boy next door and in love with Barbara. (its only puppy love.)

Doran, the detective, who arouses the house.

Gran'ma aged 82, but with the youngest ideas.

Louise, a good girl, who looks after Gran'ma.

Judge Bunby, the head of the house, who has lost his black pants.

Doctor Aked, a friend, who performs the operation.

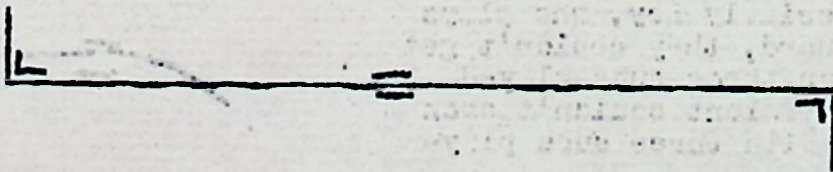

Nancy Brown, the girl from Rosedale. She is a lovely girl.

Ebenezer Whittle, the nephew, who is in trouble. Mrs. Ebenezer Whittle, looking for her husband and the two little Whittles.

This completes the cast.

Now don't miss this fine play. Its a sorrow-killer. You can't be cross after you see this comicall play.

"Anne Whats-Her-Name" is to be staged March 21, 1924, at eight o'clock in the school auditorium.

#### PHOENIX VS. TALENT

Last night, the Talent girls met the Phoenix girls on Phoenix floor. The game proved to be very exciting the whole way through as the score at the end stood 10 to 10. Both teams played hard but neither could gain over the other.

Much credit is given Ethel Alford for the way she played. As this was Ethel's first game she played a great game.

Marjorie made her nine points from the field and one foul basket. Or in other words saved the day for Phoenix.

Mildred and Violet, as center, kept Talent guessing on what and where they would be next.

Margaret and Lissie played a good game against Talents' star forwards.

Taken as a whole it was the best game the girls have played.

#### BOY'S GAME.

The boy's game did not prove as exciting as the girls as the score shows. The score was 35 to 8 in favor of Phoenix.

Our boys played the usual good game and especially Roy, who plays stationary guard, they couldn't get past Roy. Our three subs played a fine game. Talent couldn't even get a basket with three subs playing.

Allen played fine and made two field baskets. Scott played the usual good game by rolling in the baskets like lightening.

Andrew and Everett played dandy and deserve lots of credit.

This game was the worst that Talent has played.

RAH! RAH! RAH! PHOENIX!!!!!!!!!!
